

**Online Public Inspection File (Amended)**

Since Delmarva Educational Association (“Licensee”) became the licensee of WKOX(AM), Everett, Massachusetts (Facility ID No. 53964) (“WKOX”), on August 11, 2020 (See CDBS File No. BAL-20200429AAA), Licensee failed to comply with certain Online Public Inspection File (“OPIF”) requirements with respect to WKOX. While Licensee believes that it has substantially complied with the Commission’s OPIF rules, Licensee did not comply with all of WKOX’s OPIF requirements as follows:

**Section 73.3613 Documents List.** Licensee failed to upload a list of the documents required by Section 73.3613 of the Commission’s rules to WKOX’s OPIF by the requisite deadline.

**Issues/Programs List.** Licensee also failed to upload WKOX’s Q3/Q4 2020, and Q1-Q3 2021 Issues/Programs Lists by their requisite deadlines. Licensee realized its oversight at the time it originally filed the instant license renewal application and will ensure that the missing Issues/Programs Lists are promptly uploaded to WKOX’s OPIF.
