

Description of Amendment

The application is amended at the request of FCC Staff to add the BIA Kelsey Media Access Pro FCC Geographic Market Definition Report for Cape Cod, Massachusetts that was inadvertently not included in the original application and to make minor corrections to the assignee's legal certifications in the multiple ownership section of the form. In addition, this Amendment reflects the addition of five individual members of Coxswain Media LLC, the proposed assignee. Because the proposed assignee is a Manager-controlled limited liability company, and Steve Chessare is the Manger, none of the additional members controls any votes, and the addition of these members constitutes a minor amendment.
