

**Multiple Ownership Statement
September 2021**

By this application, Coxswain Communications, Inc. (“Coxswain”), seeks to acquire the license of Stations WFRQ (Facility ID No. 29570); Station WPXC (Facility ID No. 54620); Station WHYA (Facility ID No. 29571); Station WKFY (Facility ID No. 189527) and FM Translator Stations W234DP, W278DW and W263CU from Codcomm, Inc..

Section 73.3555(a)(1)(i) of the Commission’s rules provides that in a radio market with 15-29 full-power, commercial and noncommercial radio stations, a single entity may not have a cognizable interest in more than six commercial radio stations in total and not more than four commercial stations in the same service (AM or FM).

As shown on the BIA Kelsey Media Access Pro FCC Geographic Market Definition Report for Cape Cod, Massachusetts (“Market”) attached hereto, there are 28 full-power commercial and noncommercial radio stations in the Market. One station is dark so for purposes of the rule, there are currently 27 stations operating in the Market. Therefore, common ownership of four radio stations in the same service, is permitted in the Market.

Following Coxswain’s acquisition of above referenced Stations, Coxswain will have an attributable interest in four commercial FM radio stations in the Market, which is permitted under the local radio ownership rule.
