

## Application for Modification of W266BJ Contingent upon Consummation of Assignment

This application to modify FM translator station W266BJ is filed in conjunction with a concurrently filed application for assignment of the W266BJ license from Hughey Communications, Inc. to Marble City Media, LLC. The Assignment Application file number is 0000177037.

The assignee desires to modify the station after consummation of the assignment and requested the licensee, as an accommodation to the assignee, file this application as a contingent application pursuant to Section 73.3517. Accordingly, the modification of the W266BJ license resulting from approval of this application is "contingent upon approval and consummation of the assignment."
