

**December 2021  
New FM Channel 202C3  
Salmon, Idaho  
0000166762 Purpose of Amendment**

The instant amendment proposes to change the output channel proposed in application 0000166762 for a new NCE FM station at Salmon, Idaho, from Channel 219C3 to Channel 202C3. As is demonstrated by the attached allocation study, this amendment will remove the Salmon application from MX group #84, as a singleton.
