Re: American Tower Sites – Letter of Assurance

Dear Mr. Brace,

American Tower Corporation, owner of the above referenced tower, hereby grants Community Broadcasting Inc., permission to represent in any applications filed with the Federal Communications Commission (“FCC”) that the company has reasonable assurance from American Tower that it will enter into good faith lease negotiations for tower and transmission equipment space on marketable towers. Final consideration shall be contingent upon submitting a completed site application, receiving credit approval from American Tower and conducting a full structural analysis and shared interference study.

Once you receive a valid construction permit, please contact Tiffany Yu, Broadcast Business Development Manager at tiffany.yu@americantower.com or (781) 926-7820 to submit an application and receive a lease quote. We look forward to working with you on the build out of your station(s).

Thank you for your interest in American Tower.

Regards,

Tiffany Yu
