Dear Ron Honner,

I am the property owner of a property in the area of Long Mountain of Cocolalla, Idaho, of which the coordinates 48.07998, -116.70928 (48-04-41.6 N x 116-42-45.7 W) are found, and for which you plan to use in your upcoming application to the FCC. I/We extend permission for you to put up/construct an antenna and/or tower on our property, and we hope to see the FCC grant a Construction Permit to the, 'Hayden Christian Broadcasting Corporation', in your efforts in upgrading to a full power status. We look forward to working with you in putting up an antenna and/or tower on our property to aid in your ministry.

Signed,
