

**AFFIDAVIT**

1. I am Amanda Mountain, the President and CEO of Rocky Mountain Public Media, Inc. (“RMPM”).
2. RMPM filed an application with the Federal Communications Commission (the “FCC”) for a new noncommercial educational (“NCE”) FM station at Breckenridge, Colorado (File No. 0000166869) (the “Application”) in the FCC’s November 2021 filing window for new NCE FM stations. By FCC Public Notice released November 29, 2021, DA 21-1476, the Application is mutually exclusive with other applications submitted in the filing window.
3. RMPM hereby files a technical amendment to its Application for the purpose of resolving all mutual exclusivity with respect to its Application.
4. The Application was not filed for the purpose of reaching or carrying out a settlement agreement.
5. Neither RMPM nor its principals have directly or indirectly been paid or promised any money or other consideration for the actions being taken to amend the Application and/or to remove the mutual exclusivity.
6. Review and processing of this Amendment will serve the public interest by expediting the removal of technical conflict and the issuance of authorization(s) by the FCC for new NCE FM station(s).

I declare under penalty of perjury that the foregoing is true and correct.
