Silent STA Request

The analog facilities for noncommercial educational low power TV station KUCB-LP have been silent since on or around November 1, 2021. Unalaska Community Broadcasters, Inc. (KUCB), hereby respectfully requests an STA for the KUCB-LP to remain silent while KUCB files a tolling request for the station's digital construction permit so that KUCB can construct digital facilities for KUCB-LP and thereby continue to provide television broadcast service to the rural community of Dutch Harbor, AK, as well as Unalaska and the surrounding area of the Aleutian Islands.
