

Declaration.

Nebraska Educational Telecommunications Commission ("NET"), declares the following:

NET is an applicant for a new FM station for 216 at McCook, Nebraska, file number 0000165899, facility number 763,020.

The application was identified in a public notice (DA 21-1476) as conflicting with other applications in MX group #101. The instant minor modification changes the channel to 214.

This NET application was filed for the purpose of reaching or carrying out a settlement agreement with the group (attached).

NET is hereby filing a technical amendment to resolve the conflict between the other parties in the group. There has been no promise, or any consideration paid for our filing of this amendment.

Approval of this amendment will speed the initiation of new NCE service to McCook, Nebraska.

I declare, that under the penalty of perjury, the forgoing is true and correct
