

WHVM, OWEGO, NY
2022 LICENSE RENEWAL APPLICATION
EXPLANATION OF TEMPORARY SILENCE

WHVM(FM) left the air on April 21, 2018 because the station's transmitter required repairs to the remote transmitter power output monitor. The repairs were made and the station returned to the air on June 18, 2018 (less than 60 days later).

WHVM applied for a Special Temporary Authorization to be silent in File No. BLSTA- 20180423AAJ. The FCC granted this STA on May 23, 2018.

WHVM(FM) has been in continuous operation since June 18, 2018.
