

On 11/6, Hope in the Wild was preempted at 11:30am due to sports and rescheduled for 11/7 at 6:30am. However, this makegood did not air due to a daylight savings time technical difficulty and was rescheduled for 11/14 at 6:30am, outside of the makegood window for the original program, and therefore is not considered made good for the purposes of this report.
