Ministerio Oscar Aguero, Inc.

This station was early displaced by T-Mobile, seeking they relinquish the Ch 43 by September 21, 2018.

Station initially went silent on 8/24/2018.

Due to a loss of tower site and financial hardship, the station has been granted continuing silent status under Rule 312(g) to this date.

Currently the applicant has secured a site for the installation of its displacement Ch 3. (The most recent Minor Modification File # 0000136332 granted March 2021.)

The Applicant is in the process of procuring the equipment and scheduling installation as soon as possible and will notify the Commission when the complete buildout of Ch 3 is accomplished.

Respectfully submitted,
