

DECLARATION

David Frank, the owner of Frank Digital Broadcasting, LLC, hereby states, under penalty of perjury, the following:

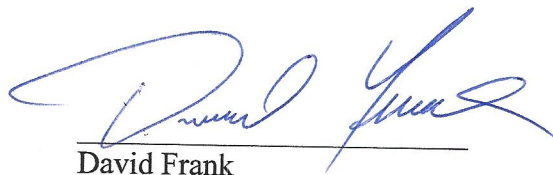

With respect to the construction of the following stations:

KOOH-LD, Helena, MT
Facility ID No. 185515

KOOG-LD, Bozeman, MT
Facility ID No. 185745

I retained the services of Budd Broadcasting Co., Inc. to assist me in the obtaining of the necessary equipment and personnel to construct the facilities.

Due to circumstances beyond my control, additional time is required to complete construction. In this regard, I have been advised that the final installation of the equipment is not possible due to inclement weather (*i.e.* blizzard conditions; high snow) and thus a thirty (30) day extension is requested.

A handwritten signature in blue ink, appearing to read 'David Frank', is written over a horizontal line.

DECLARATION

Harvey M. Budd, president of Budd Broadcasting Co., Inc. ("BBC"), hereby states, under penalty of perjury, the following:

BBC has been retained by Frank Digital Broadcasting, LLC ("FDB") to assist it in the acquisition of the necessary equipment and construction of KOOH-LD, Helena, MT and KOOG-LD, Bozeman, MT. Attached are invoices from R & L Media Systems, Inc. for the requisite equipment.

Neil Ramhorst has been retained and is tasked with installing the equipment at the sites in Helena and Bozeman. Due to inclement weather, final installation may be problematic. Therefore, a thirty (30) day extension is requested.

Harvey M. Budd
