Notice Regarding FRN of Licensee Post-Consummation

KTRK Television, Inc. (“KTRK Television”), licensee of commercial television station KTRK, Houston, Texas, Facility ID No. 35675 (“KTRK”), is submitting the instant notice to correct an inadvertent error in the FCC’s records with respect to the FRN for KTRK following consummation of the *pro forma* transfer of control approved by the Commission in LMS File No. 0000146571 (“*Pro Forma* Transfer of Control”).

On September 30, 2021, KTRK Television notified the Commission of the consummation of the *Pro Forma* Transfer of Control. See LMS File No. 0000161914 (“Consummation Notice”). The Consummation Notice inadvertently listed the FRN of Licensee Post-Consummation as 0030871438, which is the FRN associated with ABC TV Holding, LLC, the transferee approved in the *Pro Forma* Transfer of Control. This submission is to clarify and correct that the FRN of Licensee Post-Consummation for KTRK should have been listed as 0002777365. KTRK Television respectfully requests that the Commission update its records to reflect that the FRN for KTRK is 0002777365.
