

**Middle Georgia Community Radio  
Pro Forma Transfer of Control Application**

----

**Absence of Written Agreement**

This pro forma involuntary transfer of control application relates to the death of Victor M. Vickers and the Probate Court's appointment of Becky A. Vickers as Executor of the Estate of Victor M. Vickers. A copy of the Probate Court's Letters of Administration is attached.

Originally Middle Georgia Community Radio was comprised of three equal equity owners – Victor Vickers, Richard Sasser and Vern Egli. However, prior to the death of Victor Vickers equity owners Richard Sasser and Vern Egli relinquished their equity interests in the company, although that was not reported to the FCC at that time. Accordingly, attached please find a consolidated letter from Richard Sasser and Vern Egli, recently executed, attesting to the fact that they long ago relinquished their equity interests in Middle Georgia Community Radio.

Dear Sir / Madam:

We submit this consolidated letter in an effort to update the FCC's records regarding the ownership structure of Middle Georgia Community Radio. Currently the FCC's records indicate that Victor M. Vickers, Richard A. Sasser and Vernon E. Egli are each officers and 33.3% equity owners of Middle Georgia Community Radio. Vern Egli resigned from this company and relinquished his equity interest several years ago. Likewise, Richard Sasser has no equity ownership interest and is not an officer of Middle Georgia Community Radio. To the best of our knowledge, the sole equity owner and officer of Middle Georgia Community Radio was Victor M. Vicker prior to his passing in April 2020.

The foregoing statements are true and are made under the penalty of perjury.
