

Renewal of License – Adherence to Minimum Operating Schedule Narrative

WEKA-LD was acquired on 9 November 2017.

As a result of the television repack, DTV America Corporation's WEKA-LD was displaced and filed a Silent Special Temporary Authority (STA) (0000067573) effective 31 January 2019. The Silent STA was granted on 31 January 2019. The station filed an extension to the Silent STA (000078366) on 19 July 2019, which remained pending. WEKA-LD filed an Engineering STA (0000086303) on 11 October 2019 and resumed operations on 14 October 2019. While a Resumption of Operations was not filed, Licensee communicated with the Media Bureau's office regarding the station's resumption. Because the station resumed operations on 14 October 2019, the station resumed operations prior to the 312(g) deadline of 1 February 2020. The Engineering STA (0000086303) was ultimately granted on 20 August 2020. Additionally, the Media Bureau uploaded a statement from the Licensee acknowledging the resumption of operations timeline.
