RE: WEKA-LD, Facility: 184644

To Whom This May Concern:

DTV America Corporation's WEKA-LD resumed operations on 14 October 2019, pursuant to the technical specifications outlined in the Engineering Special Temporary Authority (STA) application 0000086303. The facility had been previously filed silent in order to facilitate the collocation of WEKA-LD with commonly owned stations WQDI-LD (Facility 184283), WUEK-LD (Facility 184643), and KONV-LD (Facility 184284).

Sincerely,

Kurt Hanson
