The Silent STA narrative stated, “DTV America is seeking to maximize the efficiencies of collocating four of its low power television stations licensed to Canton, OH, from the same tower: WQDI-LD, WEKA-LD, WUEK-LD, and KONV-LD. This requires installing a combiner that will support all four stations. WQDI-LD and WEKA-LD will need to remain silent while their equipment is being removed and the new four-way combiner is being installed. DTV America believes this project will be completed in approximately four weeks, or by latest in early March, 2019, and intends to recommence operations of WQDI-LD and WEKA-LD promptly upon completion, meaning it is unlikely to need the entire six-month period.” The Silent STA request was granted on 1/31/2019.
