

Minor Modification Application of W266BJ

An application is concurrently being filed with the FCC for minor modifications of W266BJ to a new site at ASR #1307550 where it will rebroadcast the HD2 signal of WAUE(FM) at Waverly, AL (FCC # 198812) in full compliance with the FCC's rules. More specifically, the proposed primary station WAUE(FM) is licensed to Marble City Media, LLC, the assignee in this assignment application. Upon approval of the modification application, rebroadcast by assignee of assignee's primary station WAUE(FM) will comply with the 74.1232 Eligibility and Licensing Requirements as set forth in the modification application.

The modification application was filed by the assignor at the request of the assignee, pursuant to FCC Rule 73.3517 and construction by assignee of the proposed facilities set forth in the application is contingent upon approval and consummation of the assignment.
