Dear Sir,

This will serve as the exhibit to confirm that contour overlap exists with the existing construction permit facility (BNPDTL-20090825BDO). The coordinates of the proposed digital facility match the existing digital construction permit facility. Since both the construction permit digital facility and the proposed digital facility are located on the same tower, contour overlap must exist. Hence, no contour overlap map is provided with the application.

Should you have any questions regarding this information please contact me.

Sincerely,

A handwritten signature in black ink that reads "Greg Best, PE". The signature is written in a cursive style with a horizontal line through the middle.
