

To whom it may concern,

There are 2 preemptions on KSPR that I was unable to put the correct make good date due to a limitation in the website form.

The KSPR core program Free Enterprise was preempted on 12/25/22. I made good this show on 1/1/22 within the seven day window, and did the same for Hearts of Heroes. I was not able to enter the 1/1/22 date on the website and used the last date available which was 12/31/21. I did include these runs into my totals.

Thank you for your attention.
