

Online Public Inspection File Exhibit
WHYY, Inc.

As a result of an administrative oversight, certain documents required by 47 C.F.R. Section 73.3527 were not uploaded to the station's online public file when required. However, as of this filing, the station's online public file is now complete with the exception of two Quarterly Issues/Programs lists from back in 2014 (Q3 and Q4).

This station rebroadcasts the programming of WHYY-FM, Philadelphia, PA (Facility ID No. 72336). The last license renewal of WHYY-FM was granted on March 10, 2015 (FCC File No. BRED-20140326AAO). Therefore, the 2014 Q3 and Q4 Quarterly Issues/Programs lists are no longer in WHYY-FM's Public File, and despite a comprehensive search, the licensee was unable to locate copies.
