**Online Public Inspection File**

The biennial ownership report for 2015 inadvertently was not filed, and the 2017 report was not filed until March 12, 2019. The Commission's decision to change the biennial reporting cycle for noncommercial stations caused confusion about the appropriate filing deadlines for these reports. The 2019 and 2021 biennial ownership reports were timely filed.

Quarterly issues/programs lists for each quarter in 2014-2017 were uploaded to the WSBU online public inspection file on March 27, 2019. Quarterly issues/programs list for each quarter in 2018 were uploaded on April 9, 2019. The issues/programs list for the Second Quarter of 2019 was not uploaded until October 11, 2019. The quarterly lists for the First and Second Quarters of 2021 were not uploaded until October 7, 2021.
