

Change of Ownership

The current licensee acquired the station as of August 2, 2021. As a result, the licensee is certifying and can vouch for only the information and data in this report from August 2 - December 31, 2021. While the current licensee has access to certain records and information from the former licensee, the current licensee cannot—and is under no obligation to—independently verify the accuracy of the information and data from January 1 - August 1, 2021.
