

The station was unable to broadcast its regularly scheduled E/I programming on 10/18/2021-10/24/2021 and 10/25/2021-10/31/2021 due to a cybersecurity incident that occurred on October 16, 2021, which affected its master control operations. Due to the cybersecurity incident, the station was unable to air notice or to reschedule the programs within 7 days of when the episodes were scheduled to air.
