ONLINE PUBLIC INSPECTION FILE EXHIBIT

In preparing this application, the licensee discovered that the quarterly issues/programs list for some quarters were not timely uploaded to the station's online public inspection file ("OPIF").

The issues/programs list for the Second Quarter of 2018 was uploaded on July 20, 2018. The issues/programs list for the Fourth Quarter of 2018 was uploaded January 28, 2019.

The issues/programs list for the Third Quarter of 2019 was uploaded on November 7, 2019. The issues/programs list for the Fourth Quarter of 2019 was uploaded January 15, 2020.

The issues/programs list for the First Quarter of 2020 was uploaded on May 5, 2020. The issues/programs list for the Third Quarter of 2020 was uploaded October 13, 2020.

Failure to timely upload the issues/programs list was a result of inadvertence. All lists have been timely uploaded since the Fourth Quarter of 2020.

In the future, the general manager of the station will verify by the 10th of each month following the close of the previous quarter that the employee tasked with uploading documents to the OPIF has timely uploaded documents, including the issues/programs lists.
