Online Public Inspection File Exhibit

WJIV Online Public Inspection File

During the last license renewal period, Christian Broadcasting System, Ltd. (“Licensee”), licensee of WJIV, Cherry Valley, NY (Facility ID No. 73138) (“WJIV”), has failed to comply with certain Online Public Inspection File (“OPIF”) requirements with respect to WJIV.

Q2 – Q4 2014 Issues/Programs Lists. Licensee, to the best of its knowledge, uploaded its Q2 – Q4 2014 Issues/Programs Lists to WJIV’s OPIF by the March 1, 2018 deadline during the transition to the online public inspection file. However, these lists were mistakenly deleted when Licensee was subsequently making back-up copies. These lists have been re-uploaded to WJIV’s OPIF.
