**FCC Violations During Preceding License Term**

**Order and Consent Decree**

Christian Broadcasting System, Ltd., (“CBSL”) is the current licensee of station WJIV, Cherry Valley, NY (Facility ID No. 73138) (“WJIV”). In the instant renewal application, CBSL has certified that, with respect to the station(s) for which this renewal is requested (being WJIV), there have been no violations by it of the Communications Act of 1934, as amended, or the rules or regulations of the Commission during the preceding license term.

CBSL wishes to note, however, that it is also the licensee of other various stations, including station WCVX, Florence, Kentucky (Facility ID No. 35065) (“WCVX”). On August 31, 2020, the Commission released an Order and Consent Decree, finding CBSL to have failed to comply with the Commission’s political file requirements, causing public file deficiencies with respect to WCVX. *See* File No. POL-072120-3768892.
