Public File

In preparing its license renewal filing, the Station conducted an audit of its online public file. It determined that:

- The Children's Programming Report for 3Q 2014 was filed on 10/15/2014 because the station was experiencing technical problems with the filing system.
- 2Q 2020 Issues and Program Report was uploaded to the public file on 7/22/2020.

E/I Graphic

The Station airs NBC on a multicast stream. On August 21, 2021, NBC provided an episode of Wild Child that did not include the E/I graphic. NBC did not provide a make-good of this episode within the 7-day make good window. Leaving this episode out of its total count, the station still met or exceeded its CORE programming requirements.

EEO Reports

This Station is part of a station employment unit based in Wyoming. Its annual EEO Reports are prepared and uploaded to the online public file by June 1, which is the Wyoming deadline.
