

### **Online Public Inspection File**

The requisite materials were timely provided in the KSNC(TV)<sup>1</sup> online public inspection file with the following exceptions:

1. The 4Q 2015 Childrens Programming Report was timely submitted but inadvertently labeled as the 1Q 2016 Childrens Programming Report.
2. The 1Q 2016 Childrens Programming Report was timely submitted but inadvertently labeled as the 2Q 2016 Childrens Programming Report. There is a duplicative labeling for the 2Q Childrens Programming Report that was uploaded on July 8, 2016 and timely filed.
3. KSNC rebroadcasts programming aired on commonly owned station KSNW(TV), Wichita, Kansas (Facility ID No. 72362) . When political advertisements aired they were contracted for on behalf of KSNW, and the relevant documentation was continually uploaded to the KSNW political subfolder on the online public inspection file. In an abundance of caution, KSNC has since uploaded these political documents to the public online inspection file and will continue do so on a going forward basis.
