

Online Public Inspection File

The requisite materials were timely provided in the KSNG(TV)¹ online public inspection file with the following exceptions:

1. The 3Q 2014 Issues and Programs List due on July 10, 2014.
2. KSNG rebroadcasts programming aired on commonly owned station KSNW(TV), Wichita, Kansas (Facility ID No. 72362) . When political advertisements aired they were contracted for on behalf of KSNW, and the relevant documentation was continually uploaded to the KSNW political subfolder on the online public inspection file. In an abundance of caution, KSNG has since uploaded these political documents to the public online inspection file and will continue do so on a going forward basis.

¹ KSNG(TV)'s previous license renewal was granted on May 28, 2014 (File No. BRCDT-20140128AEU).
