Re: Amendment to 2021 Children's Television Programming Report

1/31/22

The WAOE 2021 Children's Television Programming Report was amended to correct the reported total number of hours of regularly scheduled, weekly Core Programming on WAOE's multicast stream and the number of hours the associated programs were aired per quarter, specifically for 2Q21.

A handwritten signature in black ink that reads "Sara A. Horn". The signature is written in a cursive style with a large initial "S" and a long, sweeping underline.
