Application for Renewal of License

Online Public Inspection File

In connection with preparing to submit its license renewal application, NBZ, LLC found that in limited instances documents in the station's political file were not uploaded in a timely manner as set forth in 47 C.F.R. §§73.3526 and 73.1943 of the FCC's rules. Specifically, political files for The Friends of Peter Regnier, Committee to elect Rebecca A. Stezak and Elise Stefanik were not uploaded in a timely manner.

NBZ, LLC has uploaded the required quarterly issues and programs lists for WNBZ-FM since closing on the sale the station on August 6, 2018. However, the following reports were filed late: (1) the second quarter report for 2020 was filed one day late; and (2) the first quarter report for 2020 was filed 90 days late.

NBZ, LLC takes its obligations very seriously and will adopt further procedures to remind the responsible station employees of the FCC's requirements. By these procedures, NBZ, LLC seeks to assure that required documentation will be placed in the online public file in a timely manner.
