Jim,

I am preparing to file a technical amendment for Advance Ministries, NEW Quartzsite, AZ FAC# 767962 to break out of Mx Group 22. There will not be any settlement agreements associated with the technical amendment.

In order for the proposal to work the Minor mod Application for KNLB needs to be dismissed

I filed the Minor Change to a Licensed Facility for KNLB on 9/13/2021. Please refer to the LMS excerpt below

[0000159167](#)

09/13/2021

Minor Modification

Pending, Active

Status Date: 09/13/2021

Can you please dismiss application 0000159167 for KNLB, Lake Havasu City, AZ FAC# 48504?

Blessings to you and your work,
