### NATURE OF AMENDMENT

This minor amendment seeks to remove the proposed facilities from MX Group 109. There is no prohibited overlap between the facilities proposed herein and those other facilities proposed in MX Group 109 or any other licensed, permitted or proposed facilities. No new MX'es are created.

This application may be granted immediately as a singleton.

This amendment proposes to change channel to a first-adjacent channel and to reduce power.

The applicant has neither received nor given anything of value in return for the filing of this amendment.
