

W281CM

Rule Waiver

Sections 73.3539 of the Commission's rules indicates that New Jersey broadcast radio license renewal applications should be filed not later than February 1, 2022.

The Media Bureau has waived this requirement by granting W281CM an extension of time to file the renewal application within one week from February 11, 2022, as follows.

Subject: [EXTERNAL]: W281CM license renewal filing deadline extension request

Hello Jim

W281CM is a New Jersey FM translator which rebroadcasts a Delaware FM station - WJBR-FM Wilmington DE

New Jersey radio renewals were due February 1.

I just discovered that that the FMX was inadvertently sorted with its parent station to a group of Delaware license renewals due April 1.

I am working on the W281CM renewal and expect to be ready to file today or Monday.

May W281CM please have an extension of time to file its renewal application?

thank you
John Neely
