

Request for Silent Special Temporary Authority

HC2 Station Group, Inc. (“Licensee”) respectfully requests Silent Special Temporary Authority (“STA”) to remain silent while it repairs its permanent broadcast facility for this Class A station.

The station is experiencing a total outage due to a failed transmitter. Specifically, the transmitter has bad power supplies and possible internal damage. The Licensee is working diligently to identify and purchase a replacement transmitter. Once the new transmitter is received and installed, the station will return to licensed operations.

Granting this request would not implicate Section 312(g) of the Act, which generally limits silent station authorizations to 12 months.¹ In contrast, the STA requested here would be for a period of up to six months.
