

**Reduced Power STA Application  
KVCW (TV) (Fac. ID No. 10195)  
Las Vegas, NV**

**EXPLANATION OF CIRCUMSTANCES**

KUPN Licensee, LLC (“Licensee”), the licensee of KVCW (TV) Facility ID No. 10195, (the “Station”) hereby provides notice that the Station began operating at reduced power on February 1, 2022, and requests Special Temporary Authority (“STA”) to operate at reduced power. The Station is operating at reduced power from DTS Location 1 (36-00-27.3N / 115-00-26.9W) because the technical problems with the station’s antenna. The station is now operating at reduced power of 164 kW from a backup transmitter and antenna at the same location as the licensed facilities. Licensee is filing a separate application for permanent authority to license the standby antenna as an auxiliary antenna.

The grant of the proposed STA will serve the public interest by allowing the Station to continue to provide service to the public. Therefore, the Station requests STA to operate at the reduced power until such time as the Station makes required repairs and can resume operations at authorized power. Repairs are expected to take three to six weeks to complete. Licensee will promptly notify the FCC when repairs have been completed and the station resumes full-power operations.
