

The following licensees request withdrawal of the pending applications noted below for *pro forma* transfer of control, filed September 2, 2021. On November 2, 2021, the licensees filed long-form transfer of control applications, which were granted by the Commission on December 8, 2021, and consummated on January 1, 2022. Therefore, the below-referenced applications are now moot and can be withdrawn.
