

**AMENDMENT TO MINOR CHANGE APPLICATION FOR WLLM-FM: ID: 28303:**

This Amendment changes the TECHNICAL CERTIFICATIONS page, and the answer to the first question on the page: **“Environmental Effect”**: Would a Commission grant of Authorization for this location be an action which may have a significant environmental effect? (See 47 C.F.R. Section 1.1306) On the original application the answer was incorrectly answered “Yes” when the correct answer is “No”. Therefore, with this Amendment the answer has been corrected to “No”.
