

ENGINEERING STATEMENT

The engineering data contained herein have been prepared on behalf of NORSAN CONSULTING & MANAGEMENT, LLC, licensee of Low Power Television Station WAZS-LD, Channel 29 in North Charleston, South Carolina, in support of its request to temporarily remain off the air until such time as it can effectuate repairs on the transmitting facility. The station went off the air on February 18, 2022. It is hoped that the facility can be back on the air in the coming weeks.

I declare under penalty of perjury that the foregoing are true and correct to the best of my knowledge and belief.
