Public File

The Station is committed to uploading political file material as soon as possible consistent with Commission guidance. In reviewing the political file material uploaded over the past two-years, the Station determined that a limited number of orders were not uploaded within one business day. The licensee provided training for staff responsible for uploading political file material to the online file in March 2020 to reinforce the importance of uploading all political material promptly.

E/I Graphic

The Station aired the show Xploration Awesome Planet on a multicast channel in 2020. Due to a technical error, an episode aired without the E/I graphic on 11/7/2020. The Station scheduled a make-good, but it did not air due to a playback server failure.
