**RE: Collocation Negotiations between NTUA and Good News Broadcasting Network, Inc.**

**Dear Good News Broadcasting Network:**

**This letter confirms that Good News Broadcasting Network spoke with us on February 18, 2022 about applying for a non-commercial educational FM broadcast license for a “Navajo Family Voices community channel” at our tower site at coordinates ASRN 1280454.**

**We give you permission to represent in any applications filed with the Federal Communications Commission (“FCC”) that your organization has reasonable assurance from Navajo Tribal Utility Authority that it will enter into good faith lease negotiations for tower and transmission equipment space on the ASRN 1280454 tower.**

**Final consideration shall be contingent upon submitting a completed collocation application.**

**Sincerely,**

**Mr. Daniel Deschinny**
