

FCC Form 303-S
Public Inspection File

The Station completed its 1st quarter 2018 issues/program in a timely manner but uploaded on the deadline past 11:00 PM Central Time.

KNIC-DT, Blanco, TX (the "Station") believes that it has generally met the requirement in Section 73.1943(c) of the FCC rules to post political orders to the online public inspection file "immediately, absent unusual circumstances." The Station is not aware of any political spot for which it did not post information to the public inspection file. In an abundance of caution, the Station reports the following:

- The Station received an issue ad from Better Jobs Together on November 2, 2021 and posted information to the public file on November 8.
- The Station received an issue ad from House Majority Pac on September 11, 2020 and posted information on September 23, 2020.
