

**Amendment to Assignment Application**  
**FCC File No. 0000178338**

Gray Television Licensee, LLC (“Gray”), the proposed assignee of WDZC, Augusta, Georgia (FID 184025, W31FB-D, Eastabutchie, Mississippi (FID 186343), W28FD-D, Greenville, Florida (FID 186724, and W34FW-D, Jasper, Florida (FID 186186) (the “Stations”) amends the assignment application to provide information on Gray’s plan to build permanent facilities for the Stations and resume operations. Following its acquisition of the Stations from Lowcountry 34 Media, LLC (“Lowcountry”), Gray is committed to promptly completing construction of the authorized facilities for the Stations and resuming operations.

**WDZC-LD, W28FD-D, and W34FW-D**

Gray has identified towers close in proximity to the licensed operations of each of these stations that would be appropriate for building permanent facilities. Gray is meeting with the tower owner this week to review lease terms and confirm site availability. Once Gray secures a tower site for each station, it will file the appropriate minor modification application to move the station, then order equipment. Gray is committed to building these facilities as soon as feasible, and no later than the 312(g) deadline for these stations to resume operations.

**W31FB-D**

Gray plans to move this station to a Gray owned tower less than ten miles from its current location. A minor modification application has been filed (File No.186763). Once granted, Gray will immediately purchase the required equipment. Gray is committed to building this station as soon as feasible, and no later than the 312(g) deadline for this station to resume operations.

Gray affirms that it will work diligently to complete construction of the Stations and resume operations as soon as possible after its acquisition of the Stations.
