of Seventh-day Adventists

October 29, 2021

To Whom It May Concern:

The Texico Conference Association, legal owner of the property at 494C US Highway 491 in Gallup, New Mexico, agrees its willingness to negotiate with the Good News Broadcasting Network, Inc., for possible use of the aforementioned property for the purpose of erecting a radio tower for a new noncommercial radio station that will serve the Navajo Nation. To that end we wish Good News Broadcasting success in their plan to provide Good News to the people on the Navajo Nation.

Sincerely,

Jeffrey S. Methereil

Association Secretary
