

Amendment Explanation and Tolling Request

This amendment is being filed to update the Rebroadcast Certifications portion of the application to reflect Facility ID No. 54873 (WVCV(AM)) as the primary station proposed to be rebroadcast.

In addition, in light of the pending Petition to Deny against this application, we respectfully request that (i) the W288ED construction permit be tolled as of November 5, 2021, which is the date on which the petitioner filed the Petition to Deny, and (ii) the Audio Division address the Petition to Deny (and related pleadings) expeditiously in light of the construction permit's March 28, 2022, expiration date.
