

### **Purpose of Amendment**

This Amendment attaches a copy of the executed Amendment to Exchange Agreement executed by the parties as of February 23, 2022, as well as a copy of the executed Translator Rebroadcast Agreement relating to the FM translator station that is the subject of this assignment application, also executed by the parties as of February 23, 2022.

While the Translator Rebroadcast Agreement does not precisely meet the definition of a radio time brokerage agreement, to the extent it is similar to such an agreement, in an abundance of caution, the Assignee has amended this application to respond "Yes" to this question: "Is the assignee or any party to the application the holder of an attributable radio joint sales agreement or an attributable radio or television time brokerage agreement with the station(s) subject to this application or with any other station in the same market as the station(s) subject to this application?"
