

### **Request for Silent Special Temporary Authority**

DTV America Corporation (“Licensee”) respectfully requests Silent Special Temporary Authority (“STA”) to remain silent while it repairs its permanent broadcast facility for this Low Power Television Station.

The Licensee is working diligently to repair the HVAC system. The issue has impacted three co-located stations: KKPD-LD, KBJE-LD, and KDKJ-LD. The Licensee will continue to work diligently with the local engineer and tower owner to facilitate an expeditious return to licensed operations.

Granting this request would not implicate Section 312(g) of the Act, which generally limits silent station authorizations to 12 months.<sup>1</sup> In contrast, the STA requested here would be for a period of up to six months.
